

MEMORANDUM

To: Parties in PSB Docket No. 7032

From: Susan M. Hudson, Clerk of the Board

Re: Hearing schedule

Date: July 1, 2005

Attached please find the witness schedule for the technical hearings in this Docket. There are several witnesses for whom no parties have requested cross-examination time (Cecchini, Frink, Henry, Hinnners, Kaliski, Kirn, Mace, Rowe, and Valberg). Currently, these witnesses are scheduled for the second week of hearings. At the start of hearings on Wednesday, July 6, 2005, parties should be prepared to state whether they have any cross-examination for these witnesses, based on the surrebuttal testimony (which had been filed shortly before the cross-examination estimates were due). If neither parties nor the Hearing Officer has any cross-examination, there will be no need for these witnesses to appear, assuming that parties can agree to have the witnesses' prefiled testimony and exhibits stipulated into the record.

In addition, several parties have not indicated their availability for the hearings. These parties have been scheduled around those witnesses whose availability was known. If the schedule presents conflicts, please notify the Clerk's office no later than on Tuesday, July 5, 2005.
